Clay,  
The numbers that I reported on my survey included the estimated and funded costs for the entire UNLV campus decommissioning effort. I apologize for not indicating that the survey accounted for both ORD and OAR.

If you have any additional questions, please let me know.

Thanks -

Andrea/Robert,

I received Environmental Liabilities for the LV Campus site from both of you. Should these be as one or are they separate Liabilities? (i.e. Does NERL have different/more liabilities than NCRFO)

Thank you, Clay

To All,

Attached is the annual data call for Deferred Maintenance and Environmental Liabilities. Frank Price assisted with this data call last year but has since retired. This has to be completed by 7/31/2018. Please send your data to me and I will compile a package for all of EPA. If you have questions or need assistance, I can be reached at 850-934-9239.

Regards,

Clay Peacher
